About Conference

International conference on Academic Science and engineering(ICASE-19), 07th & 08th June, 2019 will be held at Hotel The Golden Apple, Lucknow, We welcome all scientists, scholars, students, industrialists to attend and explore their knowledge, aims to bring together academia, researchers and scholars to exchange information and share experiences and research results about all aspects of specialized and interdisciplinary fields. This event provides an opportunity for all to network, share ideas and present their research to a worldwide community. Discussion on the latest innovations, trends and practical concerns and challenges faced in these fields are also encouraged.

To promote quality research and real-world impact in an atmosphere of true international co-operation between scientists, engineers and industry by bringing together the world class renowned personalities to discuss the latest developments and innovations at one common platform. Progress in Academic science is always linked to the progress and welfare of human civilization. Future advances in multiple fields of science and engineering critically depends on the availability of advanced technology. The aim of the Academic Science-2019 is to promote quality research and real-world impact in an atmosphere of true international cooperation between scientists and engineers by bringing together again the world class researchers, International Communities and Industrial heads to discuss the latest developments and innovations in the fields of Academic Science, Engineering and technology.
